Why phone calls?

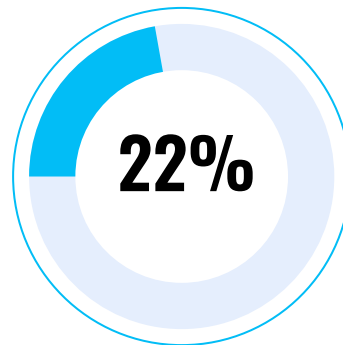

Entrepreneur

60% of smartphone users will contact your business directly using search links, including "click to call" functions.

All respondents aged 40+ voted phone calls in their top two favorite forms of business communication

22% of the 18-39 group said they too would rather speak to a human on the phone.

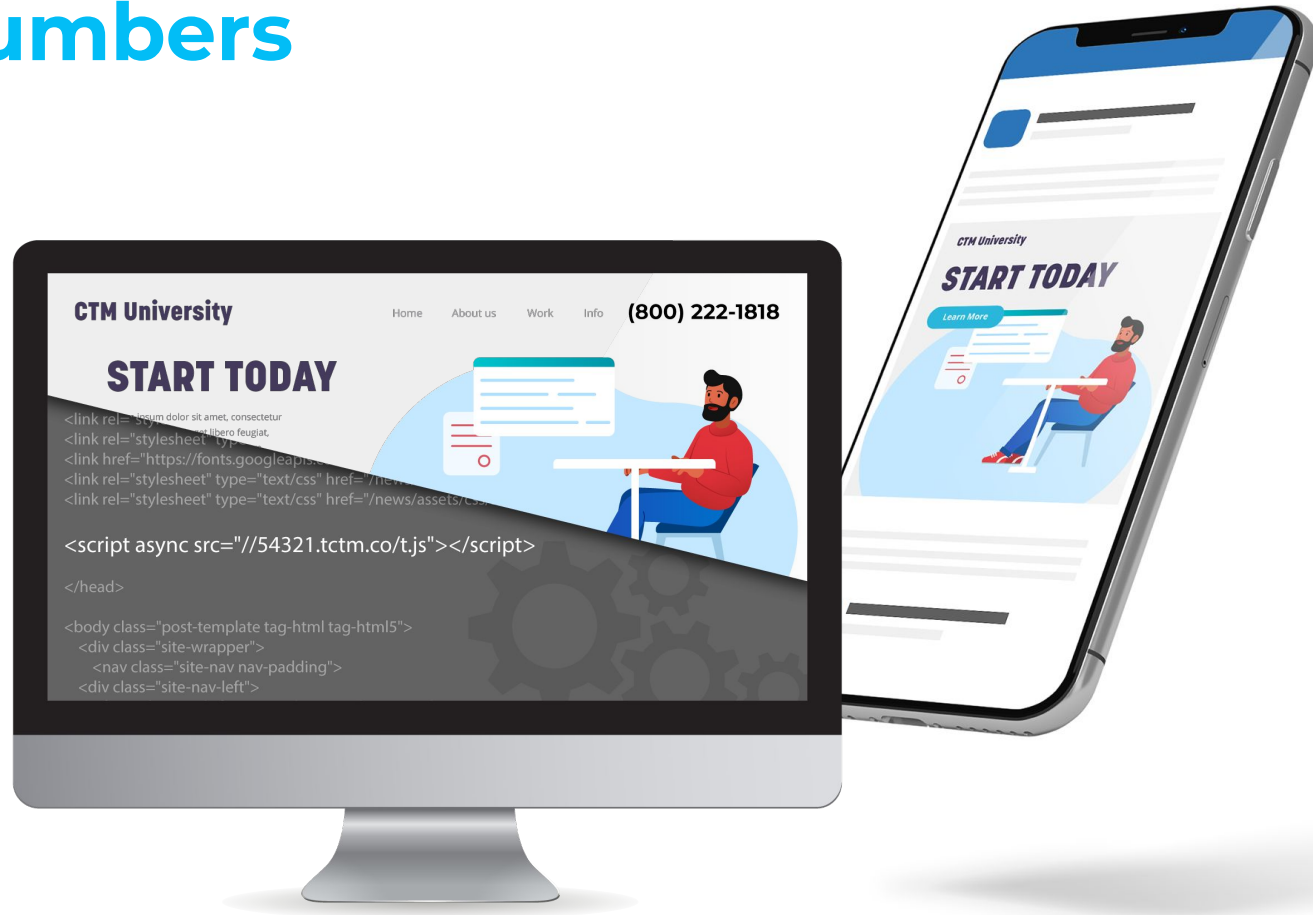

The Underestimated Value of Phone Calls That Marketers Miss • By Sergio Alvarez • Feb 11, 2022

The screenshot displays the CallTrackingMetrics interface. At the top, a navigation bar includes icons for Call, Close, Google Ads, /for-marketers, www.google.com, call analytics, geo_routing, audio, Mon Feb 13th, 01:30 PM, Answered, and Primary Router. Below this, a sidebar on the left lists navigation options: Text Message, Contact, Visitor Detail (selected), Score, Email, and Voice Analysis. The main content area is titled 'Visitor Detail' and shows user/visitor activity for this contact. It includes a 'REFERRING URL:' section with the URL 'https://www.google.com/' and a 'LANDING URL:' section with the URL 'https://my.calltrackingmetrics.com/for-marketers?kw=call%2C'. The 'Advertising Data UA-21513073-1' section lists Campaign (Call Tracking), Ad Group Name (Call Tracking), Keyword (call analytics), Source (google), Medium (cpc), and Ad Content (Call Analytics & Marketing Attribution Solution. Optimize Ad Campaigns and Prove ROI). The 'TRACKING SOURCE' section shows First Touch: Website and Last Touch: Google Ads. The 'ACTIVITIES (50)' section lists Calls: 50, Texts: 0, Chats: 0, and Forms: 0. The 'Last Interaction:' section shows Feb 13th, 1:30:32 pm | Activity ID: 2202237700.
